MEMORANDUM FOR: Deputy Director for Administration

FROM:

Director of Training and Education

SUBJECT: New Awards Proposal

REFERENCE: Your Memo to DA Office Directors  
(DDA 86-1671), dtd 2 Oct 86, Subject:  
Suggestions for a Special Award

1. I polled the troops on ideas for Agency-wide awards. Suggestions for consideration:

--Manager-of-the-Year; not SISers, but all others.

--Computer Scientist. Although, belief that definition should be widened or split to cover database administration, or computer operations, as distinct from programming or "scientist" experts.

--Budgeteer-of-the-Year; not just Finance, but Comptroller and components throughout the Agency.

--Humanitarian-of-the-Year (or whatever title), i.e., the person who has done the most to improve the working or living conditions of Agency officers.

--Entrepreneur-of-the-Year; for the person who made a single-minded, off line contribution.

--Trainer-of-the-Year; not just OTE but also other components.

2. Giving the kind of special recognition is clearly a good idea. Some might say that there is a danger of overdoing it. I do not agree. Do some!
